

Metal Master – Sweat Equity Statement

To Whom It May Concern,

This letter serves to confirm that I, **Ryan Burbank**, have invested substantial sweat equity into the creation and development of the Metal Master platform. Although I have not had the financial ability to invest personal funds, I have contributed over a year of full-time work toward building the application.

Summary of Sweat Equity Contribution:

- Over 1,000+ hours of software development
- Full architecture of mobile app, web app, backend API, and database
- Implemented advanced Guitar Pro tab engine
- Designed and built user stats, achievements, jam tracks, practice tracking, and tone engine
- Created UI/UX layouts and design framework
- Completed all engineering required for launch

This labor contribution represents a significant investment of time, skill, and expertise and forms the foundation of the Metal Master business.

Sincerely,

Ryan Burbank
